# Planning for your pet's health

At Avalon Vets we have designed our **Healthy Pet Programme** so that you as a pet owner can ensure your pets receive the very best quality preventative treatments, through a simple monthly direct debit. The concept of spreading the annual cost of household bills is a regular and well recognised feature of our daily lives – why should the essential preventative treatments for your pet be any different?

Extra benefits of the plan include discounts on many other products and services at the practice. Talk to one of our team for more information and sign up by completing a simple form.
