## April Offers

- Why not save money and spread the cost of your routine preventative treatments by signing up to our **Healthy Pet Programme**? I have attached the brochure to your email giving you the full details. If you wish to sign up, you can do so online at [www.avalonvet.co.uk](http://www.avalonvet.co.uk).
- **5% off dental treatment.** Does your pet have smelly breath or do you have other concerns about their oral health? Book a **free** dental check with our veterinary nurses. If dental treatment is booked within 1 month of recommendation you will benefit from the discount.
- **Free blood pressure check for older cats.** We are inviting all cats over 7 years of age for a free blood pressure screen worth £23.05. Why? Studies have found hypertension (high blood pressure) in 1 in 5 apparently healthy older cats. Left untreated it can cause serious signs, such as sudden onset blindness, heart disease and neurological signs. Check our Facebook page for a video of a cat having its blood pressure measured. To book, please contact us on **0141 956 4234**.

Finally, we would like to thank you for your ongoing support of our independent, family run veterinary practice.

If you need assistance with anything at all, please don't hesitate to contact practice manager Anna on [anna@avalonvet.co.uk](mailto:anna@avalonvet.co.uk)

*George, Anna and all the team at Avalon*

**P.S.** We would love it if you would like us on **Facebook**, it's a great way of keeping up on a day to day basis, plus we post loads of cute pet photos! [facebook.com/AvalonVeterinaryClinic](https://facebook.com/AvalonVeterinaryClinic)
