Welcome to your September Newsletter, keeping you up to date with all things at Avalon Vets.

### Staff News

We are delighted to announce that Chloe starts her student veterinary nurse training on Monday 4<sup>th</sup> September. Chloe will be training via a modern apprenticeship, combining full time work in the practice with block release for college placements.

You will notice that Chloe will now wear a green uniform rather than the blue animal care assistant uniform.

### Practice News

Veterinary  
Medicines  
Directorate

We are pleased to report that we have recently passed our Veterinary Medicines Directorate (VMD) inspection.

This means we can legally dispense prescription only veterinary medicines for 4 years, until our next inspection.

### Spotlight on ... Local Relationships

We are very proud to support local Bearsden cat rescue charity **Catflap**, providing veterinary care for cats rehomed via the charity.

Catflap are always grateful for donations of food, bedding, blankets, litter and other cat supplies (unfortunately they are unable to accept donated medication). If you wish to make a donation, this can be done directly or we are happy to pass on any items on your behalf.

For more information about rehoming a cat, volunteering for the charity or making a donation, please see the Catflap website [www.catflapcharity.org.uk](http://www.catflapcharity.org.uk)

## Pet of the Month – Kali

Kali came in to see George on 25<sup>th</sup> July as she was not putting any weight on her left hind leg after slipping at the bottom of the stairs. Under sedation, George was able to diagnose a ruptured cruciate ligament.

George operated on Kali on 31<sup>st</sup> July, removing damaged tissue from within Kali's knee joint and stabilising the joint with a surgical procedure known as a lateral suture.

Kali is doing incredibly well after her surgery and is now bearing weight well on her leg. Her owner is working with her to gradually rebuild the muscle in this leg.

We hope you are back to your prime soon Kali!
